

Terms and conditions

General

- Any registered private sector organisation or company located in Buckinghamshire that has been trading for at least 12 months is eligible to enter the awards.
- If your organisation is part of a larger business or a franchise your organisation must function as a separate business unit in the county of Buckinghamshire.
- Category Sponsors are not eligible to enter the Buckinghamshire Business Awards.
- Entries cannot be accepted from any business which is part or wholly funded by Buckinghamshire Council.
- All entrants are expected to declare if they consider themselves to have any interest in the sponsoring organisation of the category(ies) that they are entering. This is designed to preserve the impartiality of the judging process by ensuring that all parties recognise and disclose any potential conflicts. If a potential conflict of interest is identified – this will not prevent a business from entering but may affect who is assigned to judge the entry. We will take all steps to avoid and/or manage these situations as they arise.
- All entries must be made through our online entry system and entries will not be accepted through any other means.
- We will only accept the first 2 completed category entries from a business that are submitted through the online entry system. If further entries are subsequently submitted, these will not be accepted.
- All entrants must agree to be interviewed by Awards judges.
- Additional supporting information, such as photographs and testimonials, is acceptable, and should be relevant to the last 12 months.

Judging

- Once your entry is submitted, the hard work begins for the judges tasked with assessing all entries. Sponsors usually take on the role of judging their award or nominate a member of the Buckinghamshire Business First team to shortlist on their behalf.
- Shortlisted entries will receive in person site visits to determine finalists and category winners. If your entry is shortlisted, you will need to be available during June and July 2024 to receive a visit.
- Being shortlisted and visited by a sponsor/judge doesn't necessarily secure your place as a finalist and we ask that you treat this visit as confidential at this stage.
- All selections of finalists and winners will be reviewed by an independent judging panel made up of experienced business professionals and representatives from Buckinghamshire Business First.
- Category finalists will be considered for the overall Buckinghamshire Company of the Year 2024 Award. No 'entry' is required for this award as this is judged on the overall application of category finalists as well as subsequent finalist site visits.
- Charities will not be considered for the overall Company of the Year Award.
- All entries are treated in confidence. Judges, including the independent judging panel are required to sign a non-disclosure agreement that prevents them from sharing any information in relation to entrants outside of the judging process.
- When judging has concluded, entry submissions will be destroyed by the judges.
- The judges' decision is final, and no communications will be entered into.

Finalists

- Judges will choose 3 finalists for each category, and finalists will be officially announced on 25th July 2024.
