

# Global Young Innovators Programme

Innovate UK are bringing together the best & brightest young innovators to tackle some of the world's biggest challenges.

This programme offers forward-thinking entrepreneurial minds from across the UK and South Africa (SA), a platform to join forces, ignite ideas and co-design solutions to be a force for positive change.

- Bespoke 3 to 9-month programme
- Access to £10k in grant funding
- Five-day Virtual Bootcamp
- Collaboration with SA innovators
- Intensive 5-day Virtual Pitch & Seed Funding Bootcamp
- Mentoring, guidance & support
- Six-stage innovation webinar series

Partnership between Young Innovators and

Innovate  
UK

We believe world  
changing ideas can  
come from anyone.

If you have a solution, we  
want to hear it.

We are now calling for **30 young UK innovators** willing to rise to the challenge.

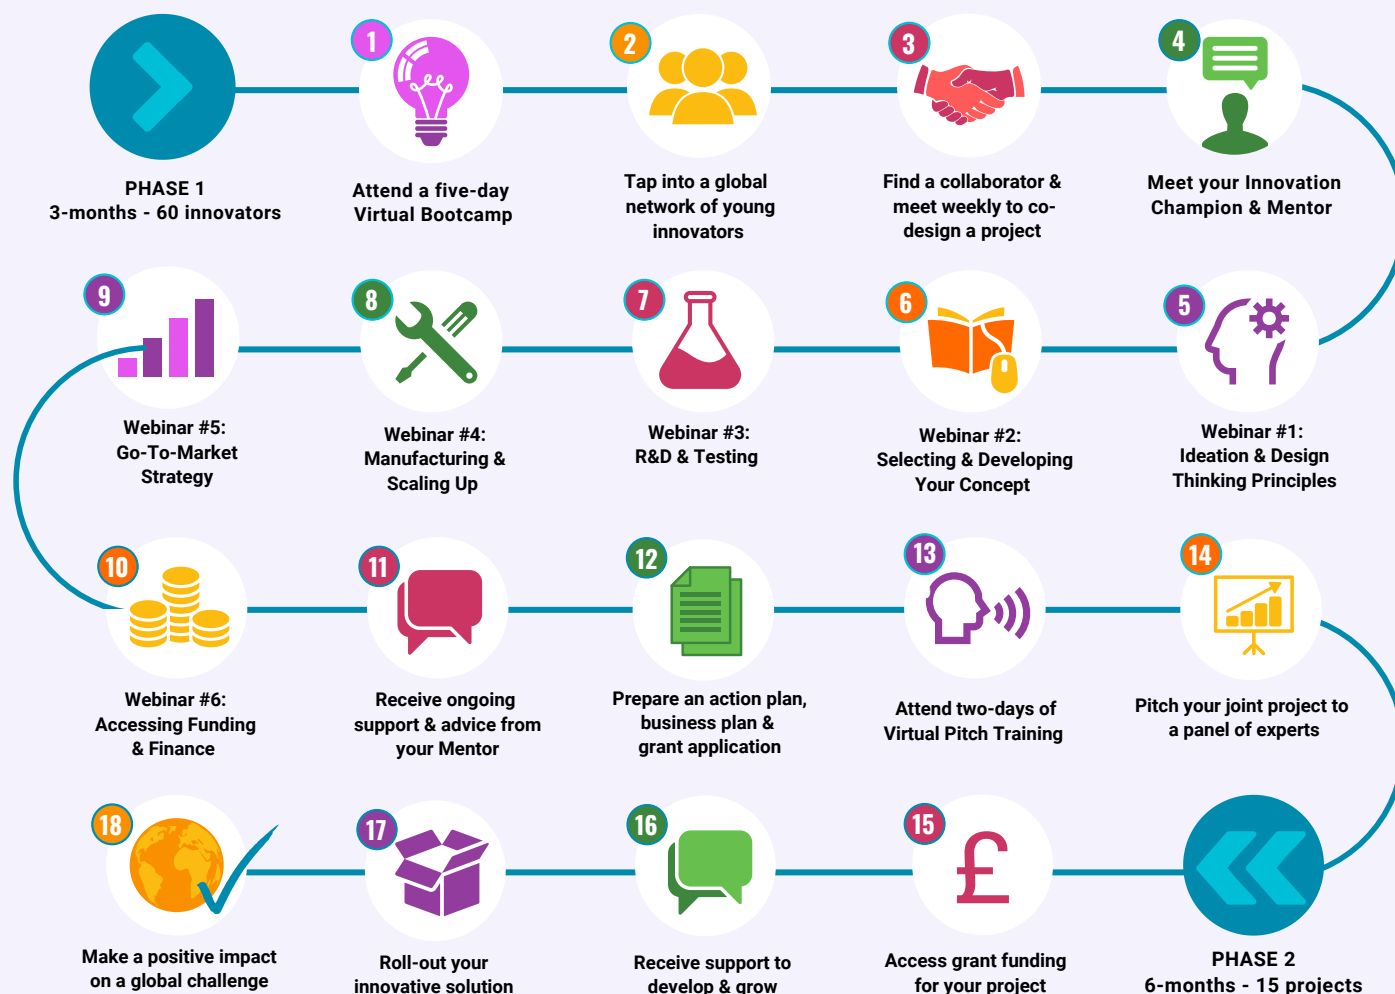

If you want to collaborate with  
inspirational young entrepreneurs in South  
Africa to form ground-breaking projects  
that can truly make an impact, this  
programme is for you - [apply here](#).

Applications close on **Friday, 08 January  
2021 at 5.00pm GMT (sharp)**.
