Love for Life

We take care and responsibility for the wellbeing of the HS2 family, our people, our families, and the communities and environment in which we will and work in. We are safe at heart, working safely or not at all.

One team spirit

We work collaboratively as one team towards a common goal. We build trusting relationships. We celebrate diversity in our team, recognising and rewarding our people.

Passionate about excellence

We are committed to supporting each other to do things right first time in everything we do. We strive to continuously improve and capture best practice and learn lessons. We are open to new ideas. We work with our people and our supply chain to innovate and embrace new technology.

Leadership

We empower all our staff to lead by example. We are what we do, not just what we say. We will create a high performing environment where our people feel engaged and motivated to do their best work.

Act with integrity and respect

We act with integrity and show respect for each other. We hold ourselves to account and always do the right thing. We create an ethical and open culture. We are mindful of our actions and consider their impact upon others. We resolve conflict by acting flexibly, listening and being open-minded.
